Supporting the Nurses Who Make Surgery Safe

2013 ANNUAL REPORT

PRESIDENT'S MESSAGE

Thank you for a record-breaking year. In 2013, we raised \$2.7 million, the largest dollar amount in our 21-year history.

Your support allows us to invest in scholarships, professional development seminars, grants, test study materials, and speakers at the AORN Surgical Conference and Expo. Every program is designed to help surgical nurses advance the profession.

Every nurse counts

On behalf of the AORN Foundation Board of Trustees, I want to personally thank every individual nurse who contributed to the Foundation last year. You believe in our work; in helping operating room nurses succeed; and in the future of the perioperative nursing profession. It's truly powerful when nurses believe in nurses.

Honoring corporate and foundation supporters

I also want to recognize the medical device companies, surgical equipment makers, and foundations who believe in perioperative nursing. Your grants and contributions disseminate the evidence that shows nurses make a difference to patients in surgery. Through you, we elevate the field through programs, recommended practices, research, and education.

Leaders light the way

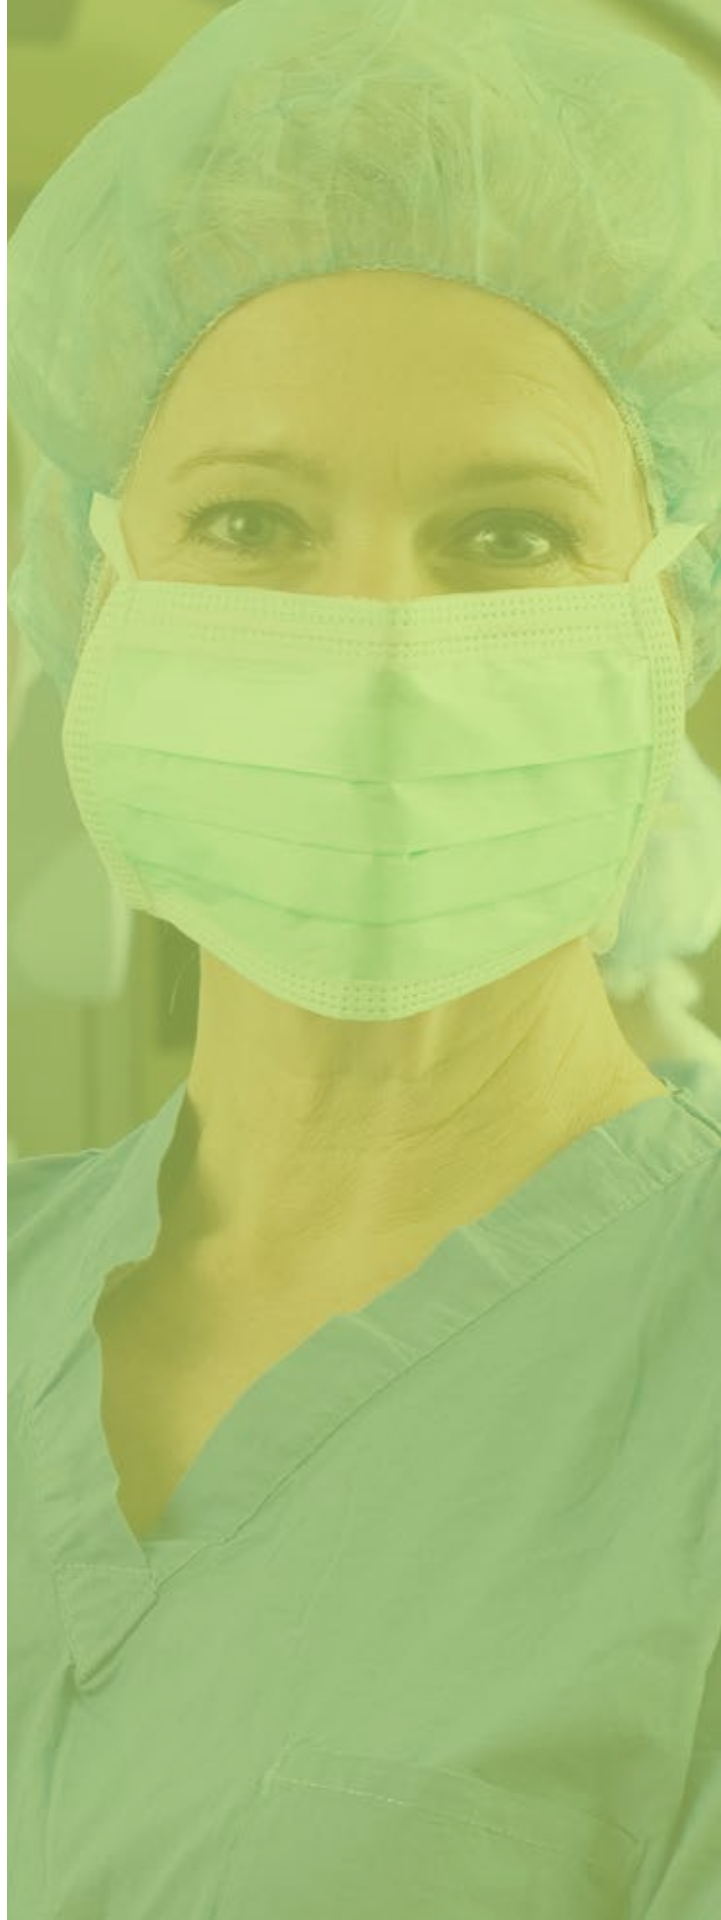

Finally, I want to acknowledge the AORN Foundation Board of Trustees. Your leadership allowed us to make 2013 a stand out season.

It was an amazing year. Brick by brick, year by year, we are creating future perioperative nursing success.

Sincerely,

Paula Graling, DNP, RN, CNS, CNOR
President, AORN Foundation

OUR MISSION

The mission of the AORN Foundation is to advance patient safety by supporting nurses who make surgery safe through education, research, and patient safety initiatives.

 **AORN** *Foundation*
Supporting the Nurses Who Make Surgery Safe

THE PROMISE OF EDUCATION

Every year, the AORN Foundation helps hundreds of nurses achieve their dreams of higher education and professional certification.

In 2013, we provided:

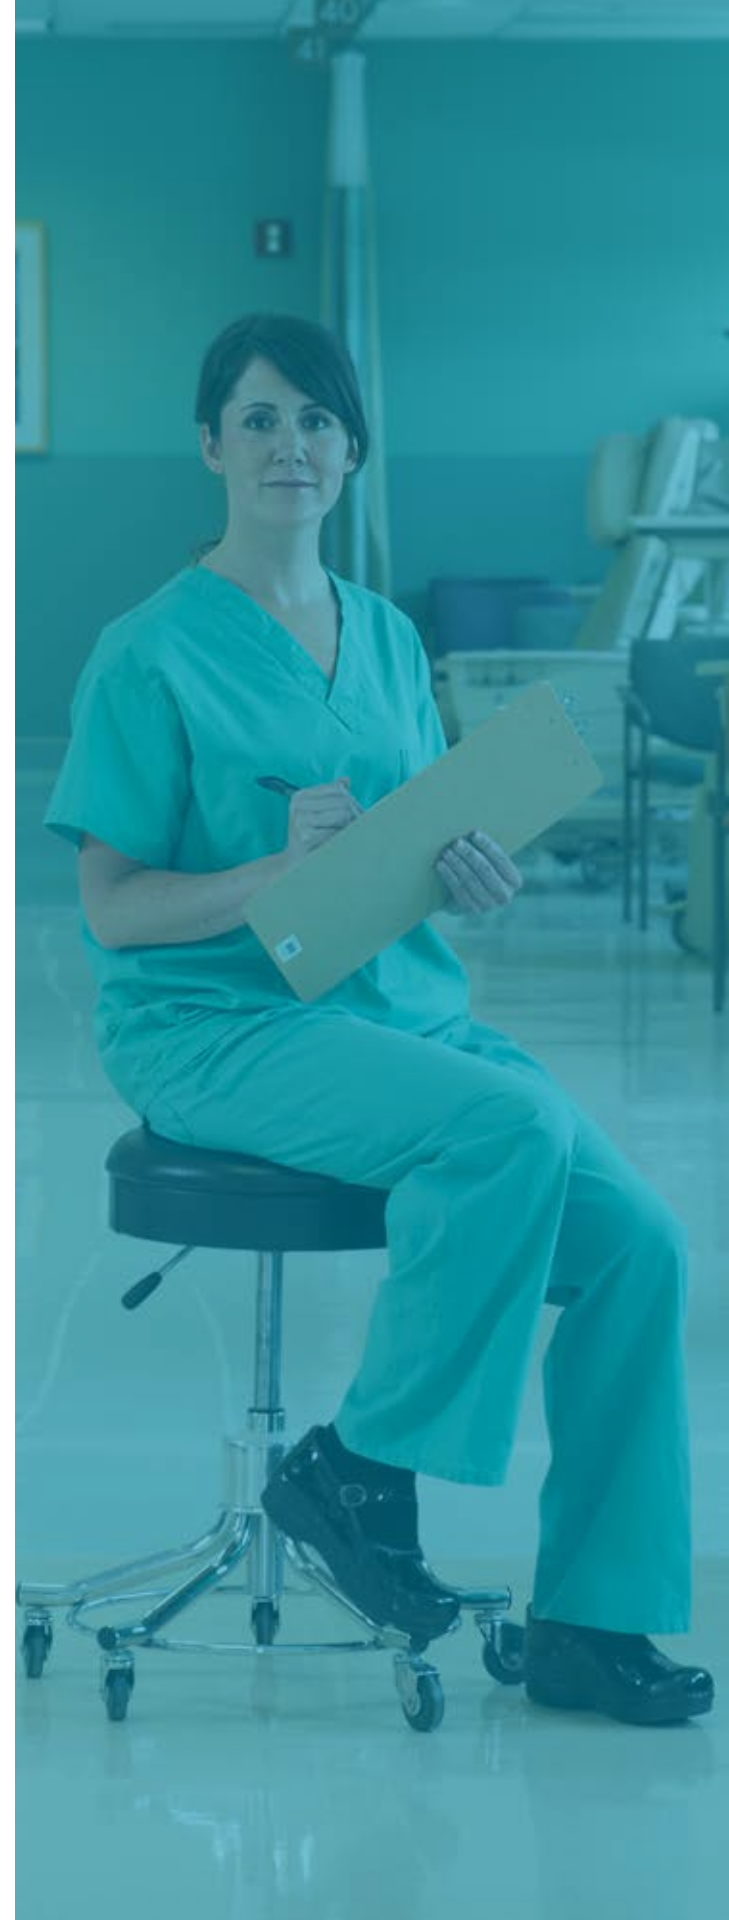

300 Professional Development Grants to help perioperative nurses attend continuing education conferences.

49 Academic Scholarships to student nurses and registered nurses pursuing advanced degrees in perioperative nursing.

25 Educational Grants to help nurses attend “Lean Leadership in Healthcare Compelling Communication” courses.

7 CNOR Exam and Test Prep Grants to help nurses pursue CNOR certification.

2 Organizational CNOR Test Prep Grants to help facilities prepare nurses for CNOR certification.

THE EVIDENCE BEHIND OUR PRACTICE

The AORN Foundation works with AORN Inc. to develop evidence-based learning programs and make them available to all perioperative nurses.

In 2013, we provided:

5 Webinars on patient safety.

A Research Grant to the Medical University of South Carolina to study OR traffic and assess the correlation between such traffic and surgical site infections.

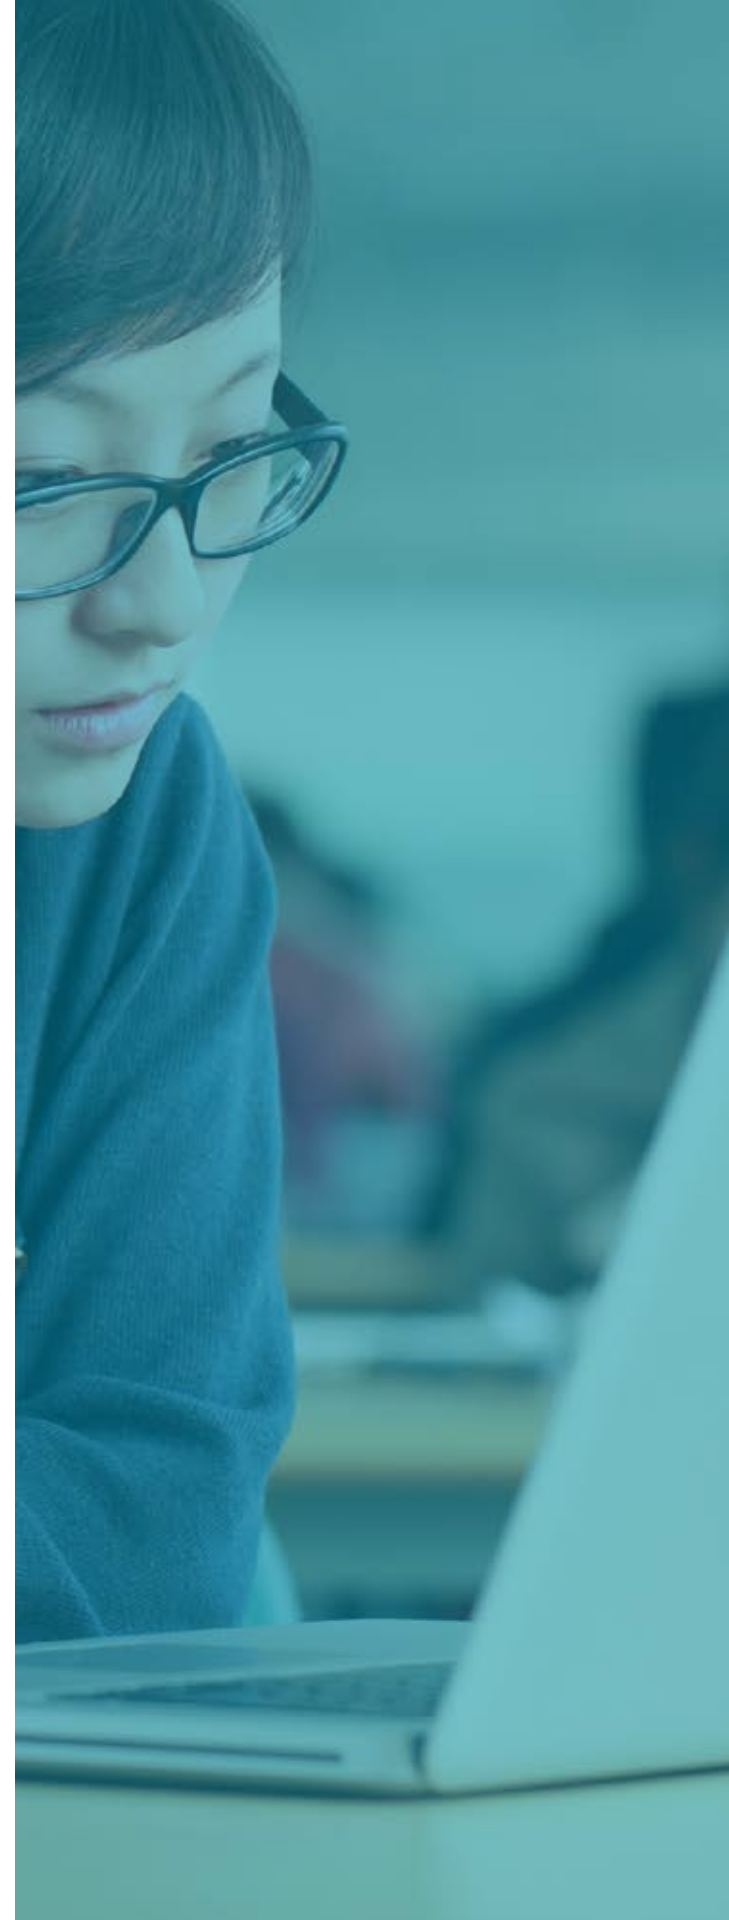

In 2013, we funded development of:

1 Periop Mastery Module on Transmissible Infections

2 Tool Kits on Sharps Safety and Environmental Cleaning

"Just this past year I was a lucky recipient of a gracious scholarship from the AORN Foundation. Between help from my employer and the AORN Foundation, it's been so wonderful to have help toward realizing the dream of completing my BSN. I am looking forward to being able to contribute to others in years to come to help realize their dreams as well."

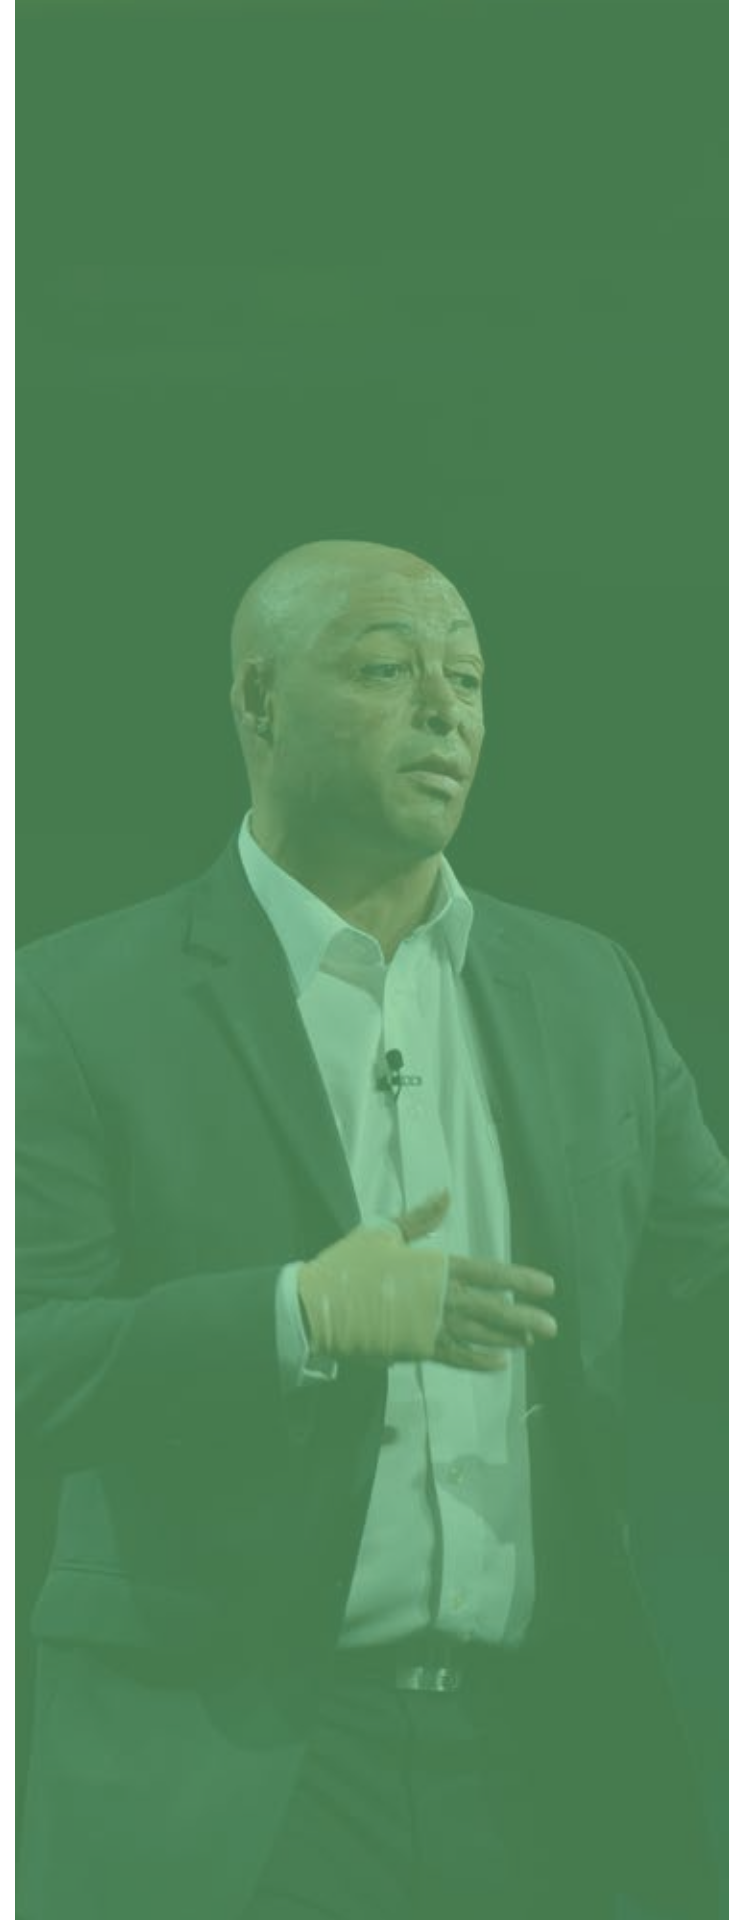

– Candace Tiley, Foundation Scholarship Recipient, Salem Hospital

THE SPEAKERS WHO INSPIRE US

The AORN Foundation underwrites expert speakers and educational sessions at the AORN Surgical Conference & Expo, attended by 5,000 perioperative professionals.

In 2013, we sponsored several sessions, including J.R. Martinez, who spoke on "Plugging into your Potential."

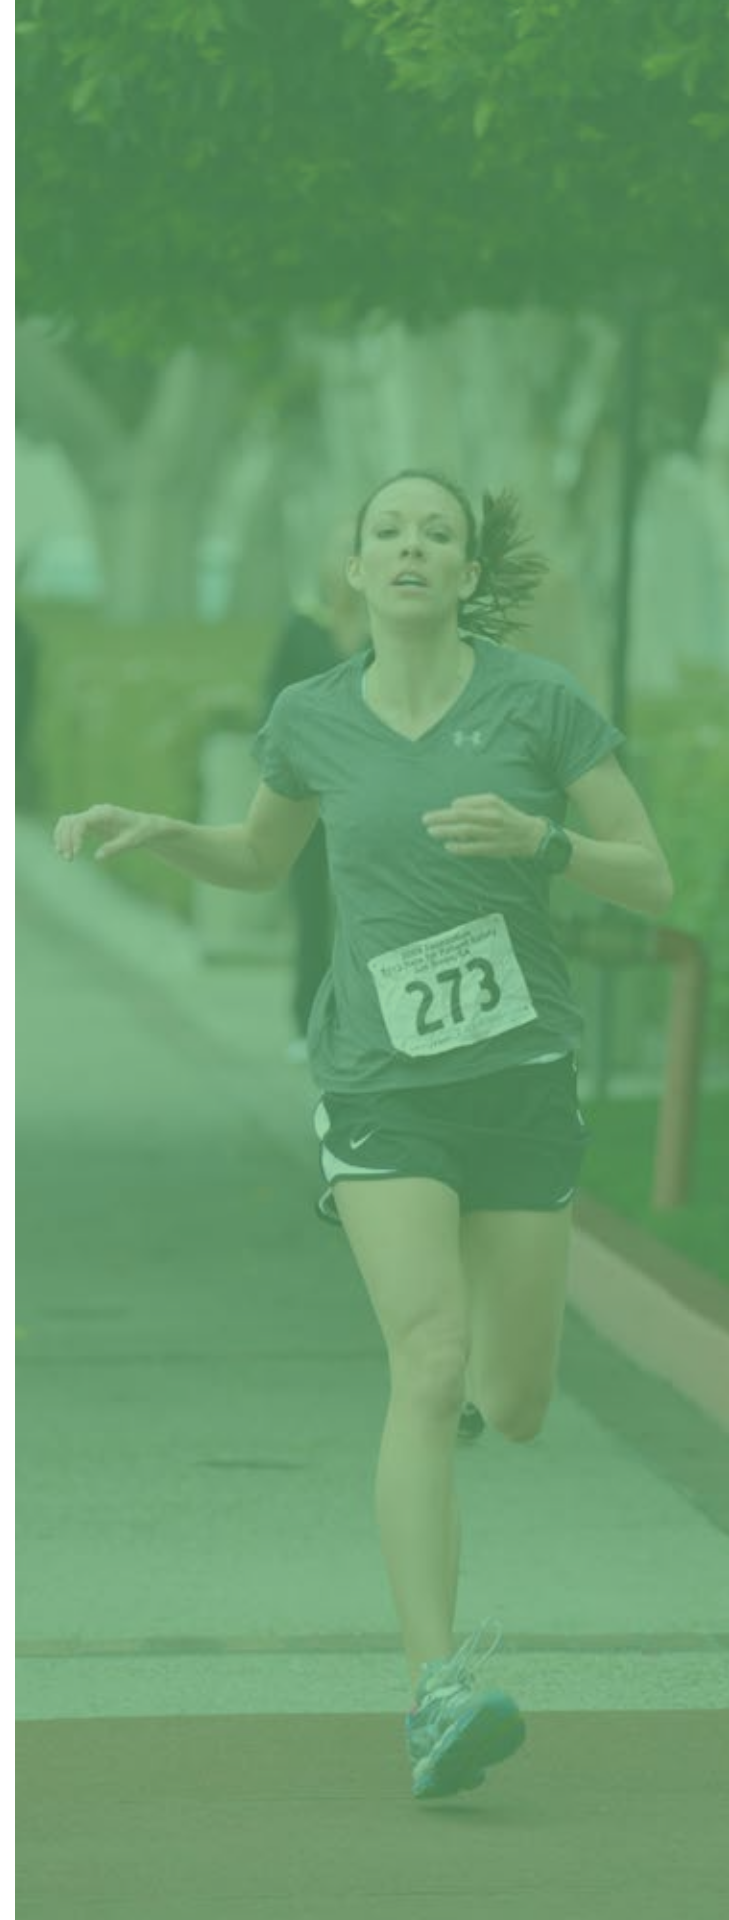

THE TIMES THAT UNITE US

In 2013, we didn't just break financial records. 600 nurses and partners joined our annual 5K run, a record number of participants for this event.

We also spent time with attendees dancing the night away at our White Party fundraiser and getting in shape at our Zumba class.

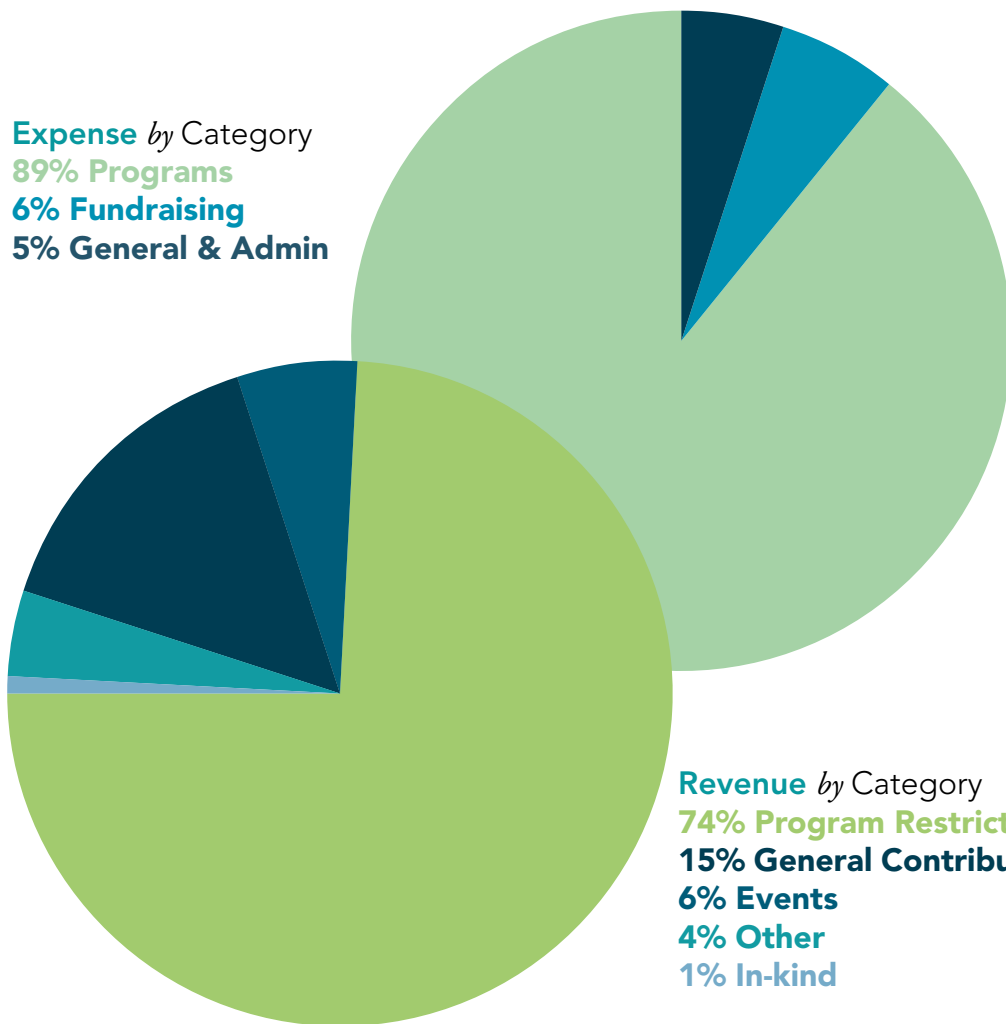

With tremendous gratitude, we thank the AORN members, individuals, foundations, corporations, and other supporters who made 2013 a record year.

OUR FINANCIAL STEWARDSHIP

We remain committed to maintaining low fundraising and operating costs, so that more of the money you invest goes directly to high quality education programs and scholarships.

AUDITOR'S LETTER

To the Board of Trustees
AORN Foundation
Denver, Colorado

We have audited the accompanying financial statements of AORN Foundation, which are comprised of the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant

accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AORN Foundation as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
