

Periop 101: A Core Curriculum™ Cesarean Section Learning Plan

The Periop 101: C-Section course introduces concepts integral to the patient’s care and safety within the perioperative setting. The course consists of 23 online learning modules, listed below. Registered nurses enrolled in the P101: C-Section program will receive the continuing education hours outlined below after completing the required evaluations and passing the final exam.

Module Number	Module Title	CH	AEU	IPCH
1	Anesthesia	1.7	1.7	0
