## START PLANNING YOUR TRAVEL

### ARRIVE FRIDAY, APRIL 4

When you arrive in Beantown and collect your conference materials on Friday afternoon, you'll have the chance to check out the area and connect with other attendees.

### DEPART WEDNESDAY MORNING, APRIL 9

Plan to stay through Tuesday's full day of programming and your final chance for interactive learning in the Expo Hall. And don't forget to exchange contact information with your new periop colleagues, ensuring you can stay connected until you see each other again in 2026.

# TOGETHER WE RISE IN BOSTON

## AORN President 2024-2025

**Nakeisha M. Tolliver, DNP, MBA, RN, NE-BC, CNOR, CSSM**

This year's theme, "Together We Rise," beautifully captures the collective power and unity that define our profession. Every day, we lift each other up, support our colleagues, and stand united in our commitment to providing exceptional patient care. Whether it's advocating for our patients, mentoring a new nurse, or collaborating to innovate and improve our practices, our strength lies in our solidarity and shared purpose. As we gather in Boston, you'll experience firsthand the inspiring stories and achievements of your peers. This conference is a unique opportunity to learn, grow, and rise together through insightful sessions, dynamic workshops, and meaningful networking. With the expertise of the perioperative nurse, we are poised to impact the future of nursing profoundly, setting new standards of excellence and innovation in patient care. Use the energy of this show-stopping conference to help catapult your practice to the next level. I warmly invite you to join us on this journey of empowerment and elevation. Together, we can achieve greatness and continue to make a profound difference in the lives of those we serve. Let's rise, learn, and celebrate our incredible community here in Boston.

## Experience AORN Expo and Discover the Allure of Boston

Globally renowned for its rich history, Boston offers a vibrant culinary scene, abundant outdoor activities, a dynamic arts culture, professional sports teams, and diverse urban and scenic explorations. During your trip, don't forget to:

- Walk the historic Freedom Trail to explore 16 sites that tell the story of the American Revolution
- Sample the New England clam chowder
- Go on a whale watch
- Visit the historic Faneuil Hall Marketplace
- Check out the Museum of Fine Arts, featuring masterpieces from around the world, including more Monets than any museum outside of Paris
- Have a drink at the bar that inspired the hit TV show "Cheers"

# TOGETHER WE RISE

in Boston

At AORN Expo 2025, we're planning an unforgettable four days of networking and celebratory experiences so you can unwind, connect, and have fun with Periop peers from around the world.

## Join us for:

- A Kick-off Party
- The Expo Hall Reception
- The Reverse Trade Show
- Chapter and Specialty Assembly Meet-Ups
- Speed Mentoring
- Young Professionals Meet Up
- First-Time Attendee Lounge
- The AORN Foundation Party
- Ambulatory Networking Activities
- And much more!

## Make A Difference During Volunteer Activity

Kick off AORN Expo 2025 by joining volunteer activities that support the local community and offer a meaningful way to connect with fellow attendees.

"The keynote speakers were fantastic. I really enjoyed the educational sessions and the way that AORN has recognized ambulatory surgery centers. That is a specialty that many do not recognize."

– 2024 AORN Expo Attendee

# UNLEASHING THE POWER OF CONNECTIONS

Take advantage of these dedicated moments to forge new peer connections, exchange insights on clinical and managerial challenges, advance your professional growth, and, most importantly, enjoy some well-deserved fun.

## FIRST-TIME ATTENDEE LOUNGE

Attending your first conference can be a bit daunting, but we're here to make it easier. Visit the First-Time Attendee Lounge to connect with seasoned conference veterans and fellow newcomers.

## INTERNATIONAL LOUNGE

On Saturday, April 5, and Sunday, April 6, join us in the International Lounge to connect and network with attendees from around the world.

## CONFERENCE MENTORING PROGRAM

Seeking guidance to shape your career or tackle current challenges? A mentor could be exactly what you need. At the conference, you'll have the chance to connect with a mentor and also schedule time with a career coach to help you on your professional journey.

## MEET THE POSTER AUTHORS

Chat with poster authors during meet and greets to hear about their latest research and work. Explore more than 250 poster presentations and discover first-hand the exciting research, evidence-based practices, clinical innovations, and improvements shared by your peers.

## EXPO HALL OPENING RECEPTION

The Expo Hall is a must-see, especially if it's your first time attending. Be sure to mark your calendar for the opening on Sunday, April 6, from 4:00 to 7:00 p.m. It's the perfect opportunity to connect with vendors and fellow attendees while enjoying refreshments in a lively and relaxed atmosphere.

# PERSONALIZE YOUR PATH TO PERIOPERATIVE EXCELLENCE

Wherever you are in your career, there's a customizable learning experience just for you at AORN Expo. Our meticulously curated program is designed to inspire, educate, and empower attendees to continue elevating the world of perioperative nursing.

## THERE'S EDUCATION FOR EVERYONE WITH MULTIPLE CONCURRENT EDUCATION TRACKS TO CHOOSE FROM

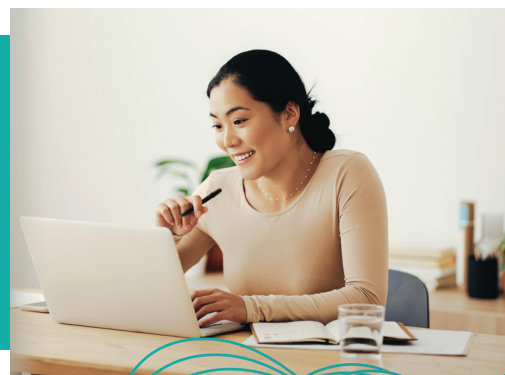

- Ambulatory
- Clinical – Innovation
- Clinical – Procedural
- Educator
- Executive Level
- Leadership/Management
- Professional Development
- Research, Evidence-based practice, Case Studies
- DEI, ESG

## PERIOP CHALLENGE

Show off your perioperative smarts and compete in a variety of planned activities throughout the event.

## ON-DEMAND VIRTUAL EDUCATION LIBRARY

Just because the conference ends, doesn't mean your learning has to. For four months after the conference, you can check out the sessions you missed after returning home.

# AORN EXPO EDUCATION: LIMITLESS POSSIBILITIES

- ✓ Earn continuing education on timely topics
- ✓ Get expert answers to your AORN Guidelines questions
- ✓ Learn new strategies for infection prevention
- ✓ Explore new solutions to critical challenges
- ✓ Advance your career
- ✓ Learn proven strategies for achieving individual and team goals

## Unlock Innovation and Opportunity in the Expo Hall

Whether it's your first AORN Expo or you're a seasoned pro, no trip is complete without experiencing the vibrant energy of the Expo Hall. As one of the largest surgical trade shows in the nation, the Expo Hall is where innovation meets action. Get up close and personal with cutting-edge technologies, witness live demos that bring products to life, and connect with top healthcare recruiters. Plus, immerse yourself in hands-on workshops and simulations that will elevate your skills and knowledge.

- Earn extra contact hours through engaging **In-Booth Education** presented by our exhibitors.
- Further your career – take advantage of our career development tools and resources in our **Career Center**.
- Recharge, connect through group activities, or have some “you time” in the **Wellness Pavilion**.

## HANDS-ON LEARNING AND INTERACTIVE EDUCATION

We understand that working as a perioperative nurse can be challenging. With best practices constantly evolving, staying up-to-date can feel overwhelming—especially if you began your career during the pandemic or had a shortened OR orientation. That's why AORN Expo is here to support you. If you're looking to strengthen your clinical skills, our expert-led, interactive, and hands-on learning sessions offer the in-person experience you need to excel.

### Your Pass Gives You Access To

- Hands-on clinical skills studios in the Expo Hall
- Immersive virtual reality simulations
- The latest technology—explore, touch, and test in the Expo Hall
- Conversations with more than 250 poster authors, ready to discuss their research/innovations

## WHAT DO OUR ATTENDEES SAY?

"I enjoyed the Reverse Trade show. It was very helpful in narrowing down which vendors I needed to visit and inquire about at the Expo Hall. Through this experience I have been able to upgrade and introduce new products for my facility."

# AMBULATORY OFFERINGS

## Keynote Speaker: Mike Lee

Mike Lee is a renowned leadership coach and keynote speaker who has worked with companies like IBM, Cisco, Morgan Stanley, AmFam, and SHRM. Drawing from his personal experience with anxiety and depression, Mike has developed a powerful approach that blends mindfulness, peak performance, and leadership development to help professionals thrive amidst modern challenges like AI disruption and overwhelming demands. By focusing on presence and awareness, Mike's strategies help individuals and organizations sharpen focus, improve collaboration, and drive growth. For perioperative nurses, applying these techniques can enhance patient care, team dynamics, and personal well-being.

### HIGHLIGHTED SESSION

## Redesigning the Traditional Nurse Manager Succession Plan

### SPEAKERS:

**Hannah Spell, Lead for Care**

**Catherine Washington, Executive Director, Children's National Hospital**

What if your nurse managers were fully prepared to lead from the start? This session addresses the current gaps in nurse manager preparation, where 93% receive no formal training, leading to burnout, turnover, and declining team satisfaction. Learn how to redesign your succession plan by building leadership skills early through microlearning, mentorship, and practical tools. You'll discover a new way to prepare nurses for leadership while improving retention, reducing burnout, and enhancing patient safety. Leave with actionable strategies to diagnose and transform your current succession model.

# VOICES THAT INSPIRE CHANGE

## Meet Our Keynote Speakers

Each of our three keynote speakers possess the unique ability to motivate, inspire, and ignite your enthusiasm. We're adding more speakers daily, but let's start with these compelling personalities.

### SHOLA RICHARDS

Shola Richards is the CEO and Founder of Go Together Global, a best-selling author, and a leading authority on workplace civility. His "Go Together Movement" provides a roadmap of mindset, behaviors, and tools that transform workplace cultures. Featured on the Today Show and Forbes, his work has reached readers in over 160 countries. And as a sought-after speaker, Shola has addressed top organizations and even testified before Congress on promoting workplace civility.

### PHIL HANSEN

Phil Hansen, known as "the Artist for the People," is an internationally acclaimed multimedia artist and speaker who defies conventional boundaries by blending traditional art, electronic media, and interactive experiences. When a tremor in his hand threatened his career, Phil embraced limitations as a pathway to creativity, embodying his belief that "we need to first be limited in order to become limitless." His inspiring story, first shared on the TED stage, has resonated with millions worldwide.

### MARISA HAMAMOTO

Marisa Hamamoto is the founder of Infinite Flow, an award-winning dance company advocating for disability inclusion. The first professional dancer named People Magazine's "Women Changing the World," Marisa has been featured on Good Morning America, NBC Today, and Forbes. A stroke survivor and diagnosed with autism later in life, she inspires inclusion through her performances and speaking engagements. Marisa has shared the stage with Tim Cook at Apple HQ and works with leading brands like Google, Microsoft, and Red Bull.

## BASC

The Board of Ambulatory Surgery Certification (BASC) administers two certifications specifically designed for ASC professionals: Certified Administrator Surgery Center (CASC) and Certified Ambulatory Infection Preventionist (CAIP). BASC issues Administrator Education Units (AEUs) and Infection Prevention Contact Hours (IPCHs) for eligible education programs.

AORN is an approved BASC provider and offers courses that are eligible for AEUs and IPCHs (BASC Provider #0102).
